Leah Q. Peoples, PhD, is the Assistant Director of Research to Practice and Community Initiatives at the NYU Metropolitan Center for Research on Equity and the Transformation of Schools. She utilizes transformative and critical approaches to inform her work on Metro’s evaluation and research projects. Her research interests encompass three broad areas: building equity in schools, developing equitable measures for research and evaluation, and program evaluation. Leah uses a diverse repertoire of quantitative and qualitative skills that best addresses research and evaluation questions in ways that honor, respect, and dignify stakeholders, while creating meaningful and useful knowledge.
